

PREMION

CTV/OTT ADVERTISER STUDY | 2024

 Advertiser
Perceptions

Methodology

Premion commissioned Advertiser Perceptions to conduct an advertiser study on media spending and priorities in the planning, buying, and measurement of CTV/OTT advertising. Advertiser Perceptions executed an anonymous online survey among 150 ad agency or brand-side marketers involved in the decision-making for CTV/OTT advertising.

The decision-makers were qualified as being involved in advertising strategy or budgeting decisions, media planning or buying, or vendor selection. Connected TV/OTT advertising use was required for both 2023 and 2024. Respondents were further qualified as US advertisers (national, regional, or local) spending a minimum of \$250,000 annually on advertising. The study fielded in April 2024.
